

## BIOLOGY Master UsisCodes – Study year 2021-2022

Registration in uSis is **obligatory** to participate in a course and examination.  
 You have to register in usis for the course AND for the examination.  
 Registration is possible until the deadline that is mentioned in the table below.  
 No registration means no participation in the course or examination.  
 During the course and the exam it will be checked whether all students are enrolled in uSis. **Always bring your LU card to the exam for this check.**

**Registration period:**  
 The second week of September

### Procedure to register for a course:

Login on [www.usis.leidenuniv.nl](http://www.usis.leidenuniv.nl)

Choose: enroll

Choose: enroll by entering the class number (studie activiteit nummer)

Choose the appropriate term (2021 - 2022) and career (master)

Enter the class number of the course you want to register for. In the schedule below, you can find the class numbers of all biology master courses For Semester I - period I. Add the course to your shopping card.

NB: you are not registered yet: go to your shopping card, click 'enroll', and click 'finish enrolling'

You are now registered for this course (lectures, practical and work groups) (If you register in Usis, you will automatically be added to the corresponding Brightspace page)

**NB: Also register for the exam separately!**

### More information can be found on:

<https://www.student.universiteitleiden.nl/en/administrative-matters/registration--de-registration/course-and-exam-enrolment/course-and-exam-enrolment/science/biology-msc?cf=science&cd=biology-msc#tab-2>

For help and questions you can send an email to:
